

COLLEGE OF HEALTH AND HUMAN PERFORMANCE
COLLEGE CURRICULUM COMMITTEE
Signatures of Approval from Outside Departments

The College of Health and Human Performance Curriculum Committee asks you (or the appropriate representative) to consider whether the attached course proposal duplicates the content (or infringes on the curriculum) of an existing course in your department or program. Our aim is to minimize duplication and to inform your academic unit about a course that might interest its students. We also hope to foster collaboration among programs that address common topics.

Proposed new course information (attached Syllabus lists topics covered in the course)

Department: _____

Prefix: ___ ___ ___ **Level:** ___ **Course number:** ___ ___ ___

Course title: _____

Brief course description: _____

Please comment briefly below on whether the proposed course overlaps significantly with an existing course in your department or program (you may also attach additional relevant material).

TO DENY: If you have concerns about duplication, we request that you summarize those concerns briefly in the space below (and/or attached sheets) and return this to the instructor or sponsor of the new course. Please also send a copy of your concerns by campus mail (or E-mail) to the Health and Human Performance Dean's Office, c/o Kelli Brown, PhD, PO Box 118200, Campus (E-mail: kbrown@hhp.ufl.edu).

TO APPROVE: If you have no concerns about duplication, please sign and date in the space below, and return the signed form to the instructor or sponsor of the course.
